

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 3254

IN THE MATTER OF:

Served November 29, 1988

Application of SHAW BUS SERVICE,)
INC., for Approval to Transfer)
Certificate No. 100 to AMERICAN)
COACH LINES, INC.)

Case No. AP-88-09

By Order No. 3224, served August 25, 1988, the above-captioned transfer application was denied because we were unable to find transferee American Coach Lines, Inc., a District of Columbia corporation (ACL-DC), fit as to compliance. By petition filed August 26, 1988, ACL-DC sought reconsideration of that decision. On September 2, 1988, protestants Gold Line, Inc., and National Coach Works, Inc., filed a reply in opposition to ACL-DC's petition for reconsideration. By Order No. 3235, served September 26, 1988, we granted ACL-DC's petition for the purpose of reconsidering the various arguments of the parties.

We have now completed our deliberation of this matter, and we find no cause to disturb our previous decision. Order No. 3224, served August 25, 1988, is hereby affirmed.

IT IS SO ORDERED.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS WORTHY, SCHIFTER, AND SHANNON:

William H. McGilvery
Executive Director
